ENTERING ALASKA BY SEA: COVID-19 PROTOCOLS

safe travels

TESTING REQUIREMENTS

TESTING OPTION 1: BEFORE TRAVEL

1 Take a qualifying COVID-19 test* within 72 hours of departure.

2 Upload negative COVID-19 results and complete the Travel Declaration Form in the Alaska Travel Portal before arrival at: *alaska.covidsecureapp.com*.

3 If you don't have your results, upload proof that you have taken your test. You will have to quarantine after your arrival at your own expense until a negative result is received.

   After uploading negative test results, observe strict social distancing for 5 days from your date of arrival.

4 A second test taken between 5 and 14 days is recommended but not required.

TESTING OPTION 2: AFTER TRAVEL

1 Complete the Travel Declaration Form in the Alaska Travel Portal before you travel at: *alaska.covidsecureapp.com*.

2 Upon arrival in Alaska, immediately continue to the nearest testing site. Locate testing sites online at: *bit.ly/2L9b4fp*

3 Quarantine at your own expense until results are received.

4 After uploading negative test results, observe strict social distancing for 5 days from your date of arrival.

5 A second test taken between 5 and 14 days is recommended but not required.

ALTERNATIVE TO TESTING
If you choose to not take a test, self-quarantine for 14 days at your own expense. This option is available only to Alaska residents with proof of residency.

* Molecular-based SARS-CoV-2 COVID-19 test
